Signed, 26 students study at HSUP this academic year</i>• possibilities for teaching staff and students to obtain new knowledge in project writing, documentation preparation and digital competences development – <i>10-13.01.2023.</i>• increase the level of language competence (Polish language courses, English speaking clubs) – <i>Trans-Atlantic speaking club started on February 1, 2023.</i>

Challenges and Support. What were the main challenges of your project and how did you manage to overcome them?

Overcoming restriction in offline mode because of war by using Zoom platform for conducting trainings

Lessons Learnt: What are your lessons learnt and recommendations you would like to share?

Internationalization has evolved into a fundamental aspect of the University's identity, showcasing its commitment to extensive global collaboration. The University's internationalization strategy serves as a tangible testament to its receptivity to comprehensive international engagement. Furthermore, this strategy stands as a pivotal tool for uniting diverse visions, ideas, intentions, and endeavors within the realm of international academic cooperation.

Impact: Please describe how your project contributed to/ advanced the specific aspect of the internationalization at your university.

- Developed internationalization strategies in separate structural units
- The directions of internationalization, interesting for the university's structural units, are highlighted
- Updated University legislative base in the field of Internationalization
- Increase of awareness in internationalization and level of digital competence of staff and students
- Increase of understanding the key points in project writing, preparation of documents (CV, motivation and recommendation letter etc.)
- Increase general number of English speaking staff and students at the University

Outlook and Sustainability:

Sustainability of the projects will be insured by:

- Conducting activities pointed out by structural units as the main direction of work in the field of Internationalization
- Writing project proposals relevant to the field of internationalization which will use the results of the project and continue working on the topic.
